The direct benefits you will receive from working with Sonic’s (“AVATAR SELF”) on the internet or in person are:

- You will attain direct contact & open communication with Your INFINITE SELF on an ongoing basis.
- It will bring you to a place of PEACE within yourself, your life continually and with all things around you.
- You will gain discernment within your self regarding people, places or experiences you attract and encounter in your life.
- Will allow your INFINITE SELF to guide and counsel you at all times.
- Allows you to attain a direct experience of YOUR OWN multidimensional Divine expression.
- You will become an open INFINITELY-dimensional receiver of your “Divine Celestial Being,” thereby allowing you to download your divine purpose in life!
- For YOU to become much more Clairaudient, Clairvoyant & Clairsentient, OPENING AND EXPANDING YOUR INNER SENSES. If you desire this blessing preparing you for the Ascension into the Golden Age of this planet we are currently in the midst of undergoing.

Sonia’s innate desire is also to:

- Expand people’s consciousness
- Assist in the ascension process this planet is currently undergoing
- Expand human awareness of who YOU really are, and why you are here!
- Be a radiant light, sharing her gifts of Divine AWARENESS with YOU, allowing her (“AVATAR SELF”) in her body vehicle to directly interact with you, assisting you with the AWAKING & EMBODIMENT OF YOUR OWN AVATAR SELF; will

assist you and TERA - GAIA – SOPHIA in our current process of co-creational Quantum Evolution.

- Hold the vibrational frequency of PURE DIVINE LOVE. As this takes place, it is causing a Quantum Shift in mass consciousness.
- To assist GAIA-SOPHIA (the primal Greek goddess of the Earth Wisdom) in this process of uplifting our entire planet!

In addition to being a clairvoyant and medical intuitive, Sonia/Sonic is also a health coach to those of you who may be in dire need of healing. Alas, in this culture of the mass-produced "food," and cupboards and counters littered with junk pills courtesy a draconian pharmaceutical and medical industry, health and wellness coaching is probably the number one thing most of you need out of all her talents. She is also a nutrition coach who can help you establish the appropriate program of diet, exercise, and health supplementation along with the spiritual, emotional, and mental well-being you will need as we enter into an age of massive change, uncertainty, and a return to a more natural state.
